

Invitation to the Armenian Street Festival on Sunday, 15th July, 2018.

On behalf of our wonderful team of ASF volunteers, I am delighted to invite you to attend the 8th Armenian Street Festival. This year it will be held in North Acton Playing Fields: Noel Road, Acton, London W3 0JF, having outgrown its previous location in Iverna Gardens, Kensington.

Our Events/Entertainment Programme is a really exciting one put together by Andre Simonian, one of our volunteers. He has worked hard to ensure something for everyone, young and old. Plans are being made for all of the following:-

- * Armenian BBQ, lahmajun and picnic food, homemade of course,
- * Armenian music, singing and dancing, Special guests from Armenia and abroad, including Arsen Safarian and Mariam Petrosian,
- * a special Football match,
- * a Mini-Marathon for the Heart Foundation,
- * an early morning Tennis Tournament,
- * a Big Screen to broadcast the World Cup Football Final and other events on the day,
- * Face-painting, balloon modelling and numerous stallsand much more!

We hope that you are able to support us and make this, the 8th ASF, a great success. We also aim to raise money for our Diocese. We are thankful for all contributions and support. All help, big and small, is much appreciated.

Our success depends on your support. Please contact the Primate's office via email: primatesoffice@armeniandiocese.org.uk or telephone 020 8998 9210 if you are able to volunteer and help us on the day.
